Dear Ken,

CONGRATULATIONS! The Choice R421A Refrigerant has been voted #1 in the *Contracting Business.com* HVAC Comfortech 2009 Product Showcase Awards, in the category of Miscellaneous.

Among all the entries in the category, our judges felt the product was the most innovative and useful to HVAC contractors who are seeking HVAC controls solutions.

A table tent announcing the award will be delivered to the *RMS of Georgia* booth during HVAC Comfortech 2009, and a *ContractingBusiness.com* editor will visit the booth for a congratulatory photo and video on Friday, September 25th. The product will also be featured in an upcoming issue of *Contracting Business.com magazine* and the video will be featured on the *ContractingBusiness.com* website.

The editors of *ContractingBusiness.com magazine* thank you for participating in the HVAC Comfortech 2009 Product Showcase Awards — and HVAC Comfortech 2009 — and we wish you much success with the Choice R421A Refrigerant!

Yours truly,

Michael S. Weil
